

# GUIDELINES FOR ACKNOWLEDGMENT OF SOUTH AUSTRALIAN WATERSKI RECORDS

## CERTIFIED STATE RECORD Revision 4 updated 23/1/24

A South Australian State Record will be recognised if the applicant has achieved the record at any Australian or International L or RC rated tournament. (subject to approval by assessment panel). Due to the level of judging & compliance required at L or RC rated events, the assessment panel shall generally approve any pending record which is recognised on the IWWSF website, however the assessment panel reserves the right to review an application.

## GENERAL APPLICATION CRITERIA

1. At the time of breaking or equalling the state record, the applicant must be a current financial member of the WAWA and must have selected 'South Australian Tournament Division' as the division they wish to be associated with for that particular financial year.
2. At the time of breaking or equalling the state record, the applicant must be registered with EMS as an Australian Water-skier.
3. The applicant must be a permanent resident of South Australia at the time of breaking or equalling the record.
4. The applicant must be a current financial member of a South Australian AWWF affiliated Waterski Club at the time of breaking or equalling the record.
5. The applicant must be either an Australian citizen or have resided in Australia for a minimum period of 5 years.
6. An application for a State Record will only be considered if it received by the SAWWF-TD within **90** days of achieving the pending record application.
7. State Records may only be achieved at sanctioned tournaments. Rating passes in a sanctioned L or RC tournament may be accredited with a State Record, however a record cannot be achieved in at a specific 'rating only' tournament.
8. Records will only be considered in the age divisions & disciplines as defined in the AWWF rule book for the current year that the pending record was accomplished.
9. Records **will not** be considered by the SAWWF-TD for certification unless a **fully completed & signed** 'Application for State Record' form & the required **information is submitted** as requested in the 'ACTION' section of the application.
10. Pending State Record applications will be assessed by 3 members of the SAWWF-TD 'State Title Assessment Panel' prior to granting recognition.
11. To gain record approval, the applicant may be required to provide further documentation as requested by the approval panel, if discrepancies are evident or a review is required.
12. An 'Application for State Record' form can be downloaded from [waterskisa.com.au](http://waterskisa.com.au).
13. Completed applications must be forwarded by email to [president@waterskisa.com.au](mailto:president@waterskisa.com.au) or the standing approval panel chairman.
